Become an E-Member Today!

1. Opt to participate in the voluntary program.

NSP staff will gladly attend board and customer meetings to talk about NSP's work and the e-member program. There are e-member locations in Kansas, Texas, Nebraska, Missouri, Colorado and New Mexico.

2. Collect e-membership dues of \$.0028/bushel or \$.005/cwt on grain sorghum that you handle.

Typically, elevators add a "NSP e-member dues" line on settlement sheets and remit the funds to NSP monthly. To make it easy, we send all of our e-members monthly reminders.

3. Enjoy the benefits of e-membership.

- Be in the know with NSP's weekly SORGHUM Basis Snap Shot and NSP's Monthly Grain Price Report --- available exclusively to NSP e-members.
- Receive NSP's e-publications including our weekly update newsletter, SORGHUM Notes. Sign up as many customers, members and staff as you'd like!
- Complimentary subscriptions to the SORGHUM Grower magazine for your staff, members and customers.
- Because of your partnership with NSP, *your* customers are eligible to enter NSP's yield and management contest ~ waiving the individual membership fee. National and state winners will be honored March 3-5 at Commodity Classic in Tampa.

About NSP

The National Sorghum Producers (NSP) represents U.S. sorghum producers and is headquartered in Lubbock, Texas in the heart of the U.S. Sorghum Belt. We are a non-profit organization that serves as the voice of the sorghum industry through education and legislative and regulatory representation.
