## **SORGHUM E-Notes**

January 7, 2010

NATIONAL SORGHUM PRODUCERS:  
*the voice of the sorghum industry*

### **Anaheim, Calif. Calls for 68 Degrees in March**

The 2010 Commodity Classic will be held in sunny Anaheim, Calif. March 4-6. Considering Anaheim's average high temperature in March is 68 degrees, today's nationwide frigid temperatures alone should be reason enough to book your hotel rooms right now!

Commodity Classic is the convention and trade show of the sorghum, corn, soybean and wheat industries. It offers growers an opportunity to interact with other farmers, see new products first hand, learn about industry trends and issues that cross state and commodity lines and enjoy some fantastic entertainment. This year's featured entertainer is the Nitty Gritty Dirt Band, famous for *Fishin' in the Dark*.

Early registration rates are only available until January 20 and anyone is welcome so don't delay! Visit [www.commodityclassic.com](http://www.commodityclassic.com) to reserve your spot in the sun at Commodity Classic.
